EXPERIENCE

Business Systems Analyst, eCommerce   2016 - 2016
Restoration Hardware, Inc.

- Identified gaps and analyzed risks in development cycle across multiple channels
- Worked directly with project and product managers to translate business requirements into technical and functional requirements
- Managed project lifecycles and developer workflow, as well as the web release calendar, via JIRA and ServiceNow tickets
- Participated in daily scrums, facilitated conversations to troubleshoot new development or QA issues, and helped triage hundreds of bugs

eCommerce Product Management Associate   2015 – 2016
Restoration Hardware, Inc.

- Worked with business stakeholders to write BRDs, create comprehensive workflows and mockups (with OmniGraffle, Adobe CS6, InVision), and scope new site features
- Presented new projects to larger engineering team and communicated business needs to ensure front- and back-end solutions accurately represented the brand and stakeholders' requests
- Created management and reporting tools for enterprise FileMaker Pro-based software, which allowed photography, product inventory, and retouching teams to better communicate changes
- Acted as an administrator for Oracle's ATG BCC, a graphical interface for content and inventory administration, and managed daily releases to the database

Webmaster and Product Manager   2013 – 2015
RH Music, a division of Restoration Hardware, Inc.

- Managed and created assets (with Adobe CS6) for use in digital sales, social media, marketing, and artists' products
- Designed and developed label and artist's promotional websites (with HTML5, CSS, & JavaScript)
- Designed Restoration Hardware store displays for artist album releases and concert promotion

EDUCATION

Hackbright Academy, Software Engineering Fellowship   2016

- Accelerated 12-week software engineering fellowship for women

San Francisco State University, Multimedia Studies   2016

- Courses completed include HTML5 & CSS, Advanced HTML, Javascript

Dominican University of California, San Rafael, CA   2014

- **degree** | Bachelor of Arts, Political Science, Moral & Political Theory
- **thesis** | Moral Global Citizenship Starts Here: A Study of the Mormon Church through the Lens of Care Ethics
